PCT General Secretary

Dear Rev. Lyim Hong-Tiong,

Rev. Tan Kian-Gak (Chen Jiahn-Yueh)

Moderator, PCT 64th General Assembly

Greetings in the name of the Lord!

Thank you very much for your heartwarming letter of condolence and prayer. As you know, many victims have been affected by the record-breaking downpours caused by Typhoon No. 19 that struck over the eastern Japan region from October 12 to 13.

We Brotherhood of Christ Church (基督兄弟团/Kirisuto Kyodaidan) has reported damage to churches and communities in the Tohoku, Kanto, and Chubu parishes. The church and several families of church members in Fukushima Prefecture in Tohoku have been cut off water and there is no hope of restoration. In the church in the Kanto parish, there was damage that the leak and the tin roof were blown off. There was a church in the Chubu parish where the glass of the church was broken by strong winds.

These are the damage situations that have been confirmed by yesterday.

We have started to donate and support the victims. Please remember the victims of the disaster in Japan in prayer.

Sincerely yours in Christ
