Subject: Calling for applications for Stewardship Program 2015

Respected Sir/Madam,

I am glad to share that we are excitedly moving toward to the 14th General Assembly of Christian Conference of Asia going to be held in Jakarta, Indonesia, from May 20-27, 2015. Before the General Assembly the pre assembly events such as Youth Pre – Assembly and Gender Justice Forum, are to going to be held simultaneously from May 17-20, 2015. As these events are grand in their nature therefore we will be seeking the help of young people to assist the assembly proceedings and participants and provide administrative support to the staff. To address these needs we have developed the stewardship program of the GA 2015. The Stewardship Program for GA will be an opportunity of ecumenical leadership development among the young people coming to facilitate the Assembly. Such leadership development provides space for young ecumenical leaders to be engaged in the current ministry of the church and ecumenical movement, facilitate the work of youth and students movements in Asia and sustains the formation of long term leadership of the churches and ecumenical movement in Asia.

Therefore we would like to invite your church/council to kindly recommend one young person to participate in the program.

The CCA staff team will carefully choose the stewards on the bases of their qualification and skills keeping in mind the gender, regional and denominational balance as we have limited vacancies. We will also give priority to the member churches that did not have the opportunity to participate in the stewards program for last two assemblies.

Please see the attached application form for stewards program. The application is also available on the CCA website www.cca.org.hk. The last date of submission is March 25, 2015.

I am looking forward for your cooperation and guidance to strengthen the unity of Churches in Ecumenical spirit

In Christ,
