Dear Rev. LYIM Hong-Tiong

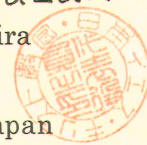

Warm greetings in the Lord from Japan.

We have heard the news of an earthquake in the southern part of Taiwan on February 6. We have been praying for and being anxious about the churches, pastors and members of PCT, how the earthquake affected you all. We earnestly pray that God of peace may provide deep comfort and quick restoration upon those in the damaged area, especially those in Tainan City.

With Shalom of God.

Yours in Christ,

Akira Kawaharazaki
