

**COUNCIL FOR WORLD MISSION**  
**PARTNER IN MISSION PROGRAMME**  
**LONG TERM MISSION OPPORTUNITY**

**Director of Information Technology and Technical Services at the  
International University of the Caribbean (IUC)**

*Summary:*

The United Church in Jamaica and the Cayman Islands is seeking a mission partner to serve as the Director of Information Technology and Technical Services at its University, the International University of the Caribbean (IUC). As an innovative private university that majors in the humanities, IUC emphasizes collaborative, interdisciplinary learning that are undergirded and informed by peace building and community engagement.

The Director will be responsible for overseeing the effective and efficient operation of the IT and Technical Services Department, supporting staff and students across two colleges with multiple departments and six campuses located across Jamaica. The Director of IT and Technical Services will plan, direct and co-ordinate all operational activities of the department together with the provision of IT, Technical Services and Information Systems (IS) based solutions to support the business processes of the University.

*Minimum Qualifications:*

- Post Graduate Degree in ICT
- At least five (5) years of experience in managing ICT system

The ideal candidate will have strong relationship building and engagement skills coupled with excellent people-management background.

**Duration – 3 years, at minimum      Location – Kingston, Jamaica      Start Date – 4 January 2022**

*General Expectations of the Partner in Mission:*

- The PIM will provide leadership, strategic direction and line management for complex, multi-functional areas of responsibility.
- The PIM will participate in the corporate and strategic management of the University.
- The PIM will support the defining and development of corporate objectives, translating these into appropriate and effective action programmes.
